- Any member of the IE committee serving as an “Agent of the Campaign” (anyone who can make or change a decision of a campaign) must be excused from serving on the IE committee and a replacement will be appointed.
- All members of the IE committee are required to sign a confidentiality affidavit.
- Independent Expenditures for local races require the following:
 - The candidate and/or local ballot measure must be endorsed by the REALTOR PAC for the position they are seeking
 - Before submitting an IE for consideration, the local association shall consult with the WA REALTORS Government Affairs Director to identify opportunities and determine potential campaign plan.
 - The REALTOR PAC Trustees have mandated that Independent Expenditure requests submitted less than 30 days of an election* will not be accepted, provided, in rare, exceptional circumstances, REALTOR PAC Leadership may grant an exception. Staff is not empowered to grant any exceptions. It is encouraged not to wait until the deadline.
 - The local association shall designate one representative to work with the WR GAD
 - The WR GAD, working with the local representative, will coordinate all aspects of IE’s (including design, placement, distribution, etc). The local representative will have authority to speak for the local association and to make decisions when time is of the essence.
 - Before making any expenditure of funds, WR legal counsel must ensure all PDC reporting requirements will be satisfied in a timely manner to avoid a violation of the law
 - Once all provisions for compliance with the PDC reporting requirements are in place and approved by the WR legal counsel, funding for the IE may be released and expended

*Please remember ballots drop 20 days before election day, 30 days before an election gives us 10 days to finalize the IE
