Workplace Safety Measures
Required Hygienic Practices

Disinfect

Clean and disinfect frequently touched objects and surfaces such as workstations, keyboards, telephones, handrails, machines, shared tools, elevator control buttons, and doorknobs

Recommendations by the U.S. Centers for Disease Control (CDC)
Wear a Face Mask

You can spread COVID-19 to others even if you do not feel sick. You must wear a face mask at all times when not working alone.
Workplace Safety Measures
Required Hygienic Practices

Cover Mouth and Nose

Cover the mouth and nose when coughing or sneezing

Recommendations by the U.S. Centers for Disease Control (CDC)
Workplace Safety Measures

Required Hygienic Practices
