I have been an active participant in State Business Meetings since Spring Conference in 2017 when Cynthia Gustafson asked me to join her. From the First Timers

Orientation to the Awards Banquet it really opened my eyes to what amazing things the State Association is doing. Ever since then I have been actively involved as you can see reflected in my Local & State Volunteer positions.

List any other experiences, e.g., community boards and/or service groups, task forces that you've served on.

I have served on many other community boards and service groups. Some examples are; Spokane Home Builders Association Board Member, Spokane Young Professionals Board Member, Junior League of Spokane Board. I serve on a national panel of Agents for Coldwell Banker and also at our local level Agent Council for Coldwell Banker Tomlinson.

What do you think is the most important aspect of the Strategic Plan?

I think part of the most important aspect to the strategic plan is the leadership development and advocacy. Without both of those the future of the organization is at risk to lose a reputation we have worked hard to create.

What do you see as strengths/weaknesses in the Strategic Plan?

I feel like we are still behind and not tracking the DEI portion of the strategic plan. I think it is very important and we have made large steps forward with forming local DEI Committees at the local association, but as a whole, I think that we could have more collaboration between the state and local committees.

The Nominations Committee will check with your Local Association Executive to broaden your background review. Do they have permission to contact your current broker/manager?

Yes

Statement in support of candidate:

To Whom It May Concern,

This is a letter of recommendation for Abbey Parsons who has applied for the position of VP of Operations with Washington Realtors. I first began working with Abbey in late 2018 as part of the Spokane Realtor's Young Professional Network. Abbey and I were both on the Spokane YPN board of directors. Abbey has demonstrated incredible leadership skills in the time that I have known her. I have observed her in several board of director roles, most recently as part of the executive committee for the Spokane Realtors. Abbey always participates in discussions at a high level and is extremely inclusive in the way she interacts with all of the members around her. Her organizational skills and ability to execute on the actions needed to accomplish the task at hand are second to none. Abbey is a gifted leader and I honestly can't think of a better person to lead us as VP of Operations.
