BEV JONES

Bev, a tireless volunteer and beloved community champion, has served Clark County through decades of service, leadership, and everyday acts of kindness. After a 43-year nursing career, she redoubled her commitment to local causes, investing her time and energy in organizations such as the Battle Ground Lions Club, the North Clark County Community Food Bank, the Battle Ground Education Foundation, and the Family Community Resource Center. Known fondly as the “Battle Ground Cheerleader,” the “Pink Lady,” and the “Coffee Lady,” she uplifts small businesses, supports students and families in need, and brings connection and joy to local seniors. Bev’s humility, consistency, and heartfelt dedication to her neighbors make her a truly deserving recipient of the Citizen of the Year Award.
