

WASHINGTON REALTORS® AWARDS NOMINEE  
CITIZEN OF THE YEAR AWARD

# JOHN MARSHALL

A dedicated educator and mentor, John strengthened the Tri-Cities community by combining his passion for teaching with his expertise in construction. As leader of the Pasco Construction Trades Program, he guided students in building Team Pasco homes while instilling responsibility, professionalism, and pride in their work. Under his direction, many students moved directly into construction careers, supported by scholarships and real-world experience gained on the job site. John's quiet leadership, care for "his kids," and lasting impact on local families, workforce development, and vocational education make him a deeply deserving honoree for the Citizen of the Year Award.
