

WASHINGTON REALTORS® AWARDS NOMINEE COMMUNITY SERVICE AWARD

SHARRI GREENE

Sharri has strengthened communities across Washington through years of hands-on service and leadership. For 14 years, she has led the state CRS “Chapter with a Heart” committee, organizing events that raise funds and collect donations for shelters, food banks, Habitat for Humanity, Knock-Knock Angels, and other charities. A lifelong supporter of the Salvation Army Red Kettle campaign, she continues the family tradition of bell ringing, often matching donations herself and inspiring others to give. Her service on the Habitat for Humanity board, participation in builds and fundraisers, Rotary projects, and efforts like organizing a team to refresh the “Welcome to Yakima” sign prove her deep commitment to giving back, making her an extremely deserving recipient of the Community Service Award.
