REALTOR® ACHIEVEMENT AWARD

SHAY HOWSMON

Shay, an engaged REALTOR® leader and advocate, has uplifted the Lower Columbia Association through her service on multiple local committees, including Government Affairs, RPAC, Membership, Education, and Community Service. She's helped organize key initiatives such as CE classes in Long Beach, Fair Housing forums and book clubs, diversity education, and successful fundraising events for disaster relief and local needs. Her growing leadership; stepping into roles like 2026 Education Committee Chair, LoCAR Board Secretary, and Washington REALTORS® Finance Committee member, makes her an extremely deserving candidate for this year's REALTOR® Achievement Award.
