

WASHINGTON REALTORS® AWARDS NOMINEE
PARTNER OF THE YEAR AWARD

VERONICA HAND

Veronica has uplifted the Thurston County REALTOR® community through her work advancing equity and access to homeownership. As Equity and Inclusion Program Manager for the City of Lacey, she helped design and launch the inaugural Thurston County Homebuying Expo, connecting REALTORS® with local governments, state agencies, and housing nonprofits. Her outreach brought diverse partners and residents together, resulting in new relationships, verified home purchases, and a stronger role for the Association as a trusted housing resource. Veronica's inclusive, partnership-driven approach makes her a deserving Partner of the Year recipient.
