## Good communities are good business.

---

From the PTA to the Humane Society to your local food bank, non-profit organizations are all around us and touch millions of lives every day. The success of a non-profit organization begins with a strong, well-trained board of directors working together to advance a cause.

Washington REALTORS® is currently designing a board development program that will help teach skills and concepts that are common to almost all community organizations. This non-profit training will build relationships, facilitate community networking and position the REALTOR® organization to be a go-to source for board and leadership training for community non-profits, especially those organizations involved in housing.

Washington Realtors is accepting applications for leadership facilitators. Successful facilitators must be engaging, have real life experience to draw upon, excel at public speaking and work well under pressure. Applicants must be willing to work with diverse groups of individuals.

### Criteria:

- Be a REALTOR® member in good standing.
- Be willing and able to travel within the state to facilitate program.
- Be willing to co-facilitate if appropriate.
- Able to show experience in facilitation or demonstrate ability to facilitate.
- Must attend a Train-the-Trainer session June 13 – 14 in the Seattle area.

Please submit your application along with a three-minute video clip of yourself instructing on any topic of your choice. PHONE VIDEO ACCEPTABLE.
